

Welcome

See inside for a full list of interest groups

Formed to support people to make the most of life when full time working is over, the u3a is a UK wide movement which brings people together to explore new ideas, interests and activities in a friendly and informal environment. u3a is a self-help organisation which provides educational, creative and leisure opportunities through a series of interest groups. Members share their knowledge and experience to learn from each other.

u3a in Kennet draws members from Marlborough and the surrounding towns and villages. It was founded in 1992 and now has nearly 800 members and around 70 interest groups.
